12-12-92

I am formerly a member of W9XT 1986-1990 and had sent for the QSL's enclosed via these stations' QSL managers. When I received them, I set them aside to take them to W9YT. Somehow, they got lost and have recently been unsurfaced from amongst some junk I was cleaning up. I believe these QSL's were needed by W9YT for DXCC.
